By defeating the Chicks Thursday, while the New Orleans Pels were leading to Birmingham, the Little Rock Travelers gained several points on the league leaders. Hisrry Lee finished.

The Mobile Bears hit two Atlanta pitchers hard Thursday and piled up 17 hits and 9 runs, which were sufficient to win. Day and Fulton pitched for Mobile and yielded eight hits and five runs. The Crackers tied the score in the seventh, but the Bears came back in the eighth and won it.

HUNTING FOR NEEDLE, ETC

A fan went out to Russwood park
To see the game one day;
And turned around each minute in
A most suspicious way.
He seemed so much excited I
Could nearly see a tear—
And as I leaned across the box
He whispered in my ear:

"Say, I am up against it right
And in an awful mess—
I'm looking for a lady in
A pink or checkered dress.
And then she may put on a hat
That's pink or checkered too;
I've never seen the lady so
May I depend on you?"

Just a little more than two years ago Les Darcy, Australia's great middle-weight, died in Memphis of a strepto-coccus infection, as the doctors termed it. To be exact the date was May 24, 1917.

Those who recall the circumstances worker why it is that burey was bound.

Howard Ehmke pitched Detroit to a victory over St. Louis Thursday 3 to 1. The Tigers scored enough runs in the first linning to win.

Darcy was persecuted unjustly and to an extreme and the matter preyed heavily upon his mind. At the time he was in possession of an infection in the tonsils and the combination ultimately resulted in his death.

Among those at the bedside was his fiancee who arrived in Memphis on the morning of the day that Darcy passed out with a smile.

Those who knew Darcy respected him and were astonished at his treatment. And those same people are wondering even now how two flag-dodgers have an open road. Which only goes to show how many funny people make up the world.

BY JACK DEMPSEY. TOLEDO, O., July 4.—It's all overboys. My long stretch of toil that has put me in as fine a condition for the title battle on the Fourth as that of any man who ever lived, has wound up and I'm ready. I can see where I might be worried if I didn't feel I had something on Willard, but knowing that I am going to win decisively, I haven't the slightest feeling of nervousness. Dr. Joe Sweeney, official physician for the Toledo Boxing Commission, visited me today and gave me an examination.
